Program Descriptions

## Program Descriptions

**Sun screen, drinking water & bug spray are recommended when outdoors.**

**Horse Program** - Join us as we unlock many of the mysteries that surround the wild horses of Assateague!

**Touch Tank Talk** - Stop by the visitor center for a short “meet and greet” with the “locals”! Learn, observe and touch a few of Assateague’s resident marine life.

**Touch Tank Talk** - Join a ranger to discover the world of one of Assateague Island’s fascinating animals.

**Creature Feature** - Gather ‘round the ranger and today’s mystery “guest.” Learn the life and lore of a special Assateague resident during this informal discussion.

**Fish Feeding Frenzy** - Learn about life in the bay and ocean surrounding Assateague Island. Find out how each marine creature is uniquely adapted for survival during feeding time!

**Crabbing Program** - During this “crab and release” program you’ll learn the mysteries of catching this delectable denizen of the bay, the Blue Crab.

**Clamming Program** - Put on your wading clothes and shoes (no flip-flops) and learn the art of collecting hard-shell clams and ribbed mussels.

**Bay Discovery** - Try our dip nets and take a closer look at marine organisms that thrive in the marshes and bay. Plan on getting wet as you wade the shallows. **Appropriate clothing and water footwear (no flip-flops) required.**

**Kayak in the Bay** - Join a Ranger for a 2 hour guided kayak tour through the marshes. Learn about the island’s ecology and history. **Reservations must be made** at the Visitor Center at least one day before the tour. Cost of \$20 per person. Arrive 30 minutes before scheduled tour. Make sure to bring water, hats, and sunscreen

**Rackliffe House** - Tour this beautifully restored 18th century coastal plantation home. Park in the Visitor Center parking lot and walk the half-mile trail that begins behind the Visitor Center. Visitors unable to hike the distance can drive down Tom Patton Lane and park.

*The National Park Service assists the U.S. Fish and Wildlife Service in interpretation and recreation management, but only in the Toms Cove area of the Virginia portion of the island. The Chincoteague National Wildlife Refuge provides many other activities throughout the rest of the refuge. Contact them at 757-336-6122 for program details.*
